THE HISTORY

Absolutely 80s

Sean Kelly of the **Models** is a pioneer of post-punk and new wave in 1980s Australia. Models reaped several top ten hits including *I Hear Motion*, *Big On Love*, *Out Of Mind*, *Out Of Sight*, *Barbados* and many more. The Models, with their unique song writing ability and singing style, recorded eight chart topping albums and over 30 singles, including a Top 10 in the USA with *Out Of Mind*, *Out Of Sight*. Models sold over 1 million records worldwide and were inducted into the ARIA Hall of Fame in 2010. Sean's performance (along with Brian Mannix) at the AFL Grand Final in 2006 brought the house down and was broadcast to all of Australia. Sean is also a frequent guest on SBS's *Rockwiz* and ABC's *Spicks & Specks ...* a great entertainer and charismatic showmen!

Featuring the extroverted front man **Brian Mannix**, the **Uncanny X-Men** were one of Australia's most popular and outrageous bands of the 80s. Total sales of over a half a million, with hits including the Number 1 smash hit *50 Years* and Top 10 hits *The Party*, *Everybody Wants To Work* and *How Do You Get Your Kicks*, as well as a double Platinum selling album *Cos Life Hurts*. With a massive following, filling the Horden Pavilion (Sydney) and Festival Hall (Melbourne), Uncanny X-Men were one of biggest bands in the 80s. Brian is now enjoying writing and directing projects like *Countdown - A Musical Comedy*, his acting roles in ABC productions and his various TV appearances. Brian is a natural, not to mention a cheeky, funny man when he hits the stage!!

Scott Carne is the lead singer of **Kids in the Kitchen**, the 80s "new wave" band that formed in 1984, quickly racing to the top of the charts with their Platinum selling debut album *Shine*. The album yielded ten Top 10 singles including *Change in Mood*, *Bitter Desire*, *Current Stand* and *Something That U Said*. Kids in the Kitchen quickly become a house hold name and signed an international deal with Madonna's management and a USA record contract with Warner Brothers/Sire Records. The second LP *Terrain* was released in 1986 and contained two Top 20 hits *Say It* and *Revolution Love*, which saw the Kids touring the world and breaking venue capacity records in Australia! Scott is now an entertainment agent by day and a performer by night, lighting up the stage with his amazing voice and energetic performances!

Swanee has been "legend" on the Australian music scene since he was 14 years old, first playing as a drummer and then going on to have a major chart success with *If I Were A Carpenter* and *Lady What's Your Name*. Swanee established himself as one of the best rock n roll voices in Australia, and went to on to be the front man of the **Party Boys** whose self-titled album went to No 1 in three weeks thanks to the success of the singles, *He's Gonna Step On You Again*, *Hold Your Head Up* and *Gloria*. Today Swanee continues to wow audiences with his wide and diverse vocal styles.

Eve Von Bibra, **Ally Fowler** and **Tottie Goldsmith** sang for the **Chantoozies**, one of Australia's hottest acts. An eight piece band (four boys/four girls) comprising of soap-star actors, they released several chart topping singles and two albums. They had Top 10 hits nationally with *Witch Queen*, *Wanna Be Up* and *He's Gonna Step On You Again*. They toured Australia many times, appearing on every imaginable entertainment program - the Chantoozies sold over 300,000 records. Ally, Eve & Tottie have all been busy acting in well know productions including *Kenny*, *Neighbours* and *Stingers* just name a few! When the girls hit the stage they put a smile on everyone face ...
